

## My 23<sup>rd</sup> Psalm

The Lord is my shepherd;  
he takes good care of me.  
He helps me acquire food and shelter.  
He makes me feel alive again  
He helps me do the right thing.

When I face life's darkest moments,  
I need not fear. I am never alone.  
Your love and compassion strengthen me.  
At a great banquet, in front of everybody,  
You invite me to sit at the head table  
Where I drink from a bottomless cup.

His goodness and his mercy will always be with me,  
And I will always be a member of the family of God.
