

Frog Legs

In late September, I will self-publish “Frog Legs,” my prose writings in paperback, 6” x 9”, 220 pages. The book contains **gentle** short stories, **provocative** essays, and **heart-warming** memoirs. To be honest, one of the “gentle” stories contains a murder, and if you’re religious, you might wonder if a couple of the essays might send me to hell, but the memoirs—they’re right on.

Pre-publication price is \$20. Thereafter, the price will rise to \$22. If you live far away, **shipping is free**.

My address is Wayland Jackson, 2203 West Norwich Avenue, Fresno CA 93705.

**Other than world peace, this might be the greatest announcement you'll hear
this month:**

In late September, I will self-publish "It's a Grand Old Flag," my prose writings in paperback, 6" x 9", 230 pages. The book will contain **gentle** short stories, **provocative** essays, and **heart-warming** memoirs. To be honest, one of the "gentle" stories contains a murder, and if you're religious, you might wonder if a couple of the essays might send me to hell, but the memoirs—they're just darling. **Pre-publication price is 0.0004 cents per word** which, by my calculation, comes to \$20. Thereafter, the price will rise to 0.0005 cents per word, or \$22. We accept cash, credit cards, checks, a lawn mowed, or a sack of potatoes, but no broccoli, and no mac and cheese. For the author's autograph, add 25 cents, or I'll do it free if you don't have the change. If you live far away, **shipping is free**. I need to sell 50 copies to break even, so give an old man a chance. My address is [Wayland Jackson, 2203 West Norwich Avenue, Fresno CA 93705](#). My phone is [559 226 0878](#). My email is waylandbj@gmail.com.
